BEHIND THE SCENES AT RUPP ARENA

Join the Construction Leadership Council for an exclusive look at the complete renovation of Rupp Arena's restrooms.

This multi-phased project includes the replacement of aging cast-iron piping with new PVC piping, along with new flooring, plumbing fixtures, toilet partitions, backlit mirrors, casework, and countertops.

Attendees will get a firsthand look at the planning, coordination, and construction required to complete a major renovation while keeping Rupp Arena fully operational and maintaining its schedule of events.

MEETING LOCATION

- Meet at the plaza between the Hyatt Regency Lexington and Rupp Arena, at the main entrance to the arena.
- 3:45–4:00 P.M. — Arrival & Meet-Up
